Activity Level: We expect that guests can enjoy two hours or more of walking, are sure-footed on cobbled surfaces, and can walk up and down stairs without assistance. On the estate, unpaved roads and pathways separate its various structures, and walking is required to get from one building to another and to reach the restaurant. Historic city centers are usually more accessible by foot than vehicle. Due to the structure of some buildings, facilities for the disabled may be limited.

Your Accommodations (subject to change)

Within arm's reach of the culture-rich Veneto and Emilia Romagna regions lies Borgo San Donino, a charming farmhouse on the Selva Capuzza wine estate—also the 1859 battle site of Italy's fight toward its independence.

The farmhouse apartments, winery, and nearby restaurant are the result of many years of dedicated work, and provide award-winning wines, delightful accommodations, and generous hospitality.

Stroll the grounds and you might see grape vines being carefully tended by hand or olives ripening for the estate's own olive oil, just steps away from tables where the harvest is reincarnated in signature wines and local dishes. The Selva Capuzza winery produces a wonderful selection of varietals—red, white, and rosé, all under the careful expertise of the property's skilled vintners.

Visit the nearby San Martino Tower to admire its majesty from the inside and out. Then follow the tree-lined road to the Chapel of San Martino, which guards many of the fallen from the battle.

After a day's adventures, restore your senses amidst the comfortable atmosphere of your apartment.
