Experience authentic Canadian hospitality
at a genuine fly-in wilderness lodge

Dear Alumni and Friends,

Join fellow travel enthusiasts as we venture into the vast Canadian North—a remote tundra teeming with glacial landforms, boreal forest, and beautiful wilderness—accessible only by plane or boat. The destination: a supremely outfitted lodge that will be home base amidst days filled with wildlife spotting and outdoor adventures, and evenings featuring delicious dinners followed by opportunities to watch for the northern lights. Northern Manitoba is considered to be one of the best places in the world to view this phenomenon, and fall is considered the best time to comfortably view the aurora borealis and to experience the other wonders of this extraordinary region.

Discover the uniqueness of the area during guided interpretive tours focusing on wildlife, botany, and geography, and learn about local plant life the First Nations Peoples used for food sources and medicines.

At the lodge, take advantage of leisure activities like hiking, fishing, and kayaking or canoeing, or join optional excursions to further explore the area.

Space is limited. With significant savings of more than \$1,000 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today and share this brochure with family and friends who may be interested in traveling with you.

Please reserve online at ku.orbridge.com, by calling (866) 639-0079 or by returning the enclosed reservation form.

Sincerely,

Austin Johanning, g'20

Activities take place outdoors in the wilderness with no access to toilet or other amenities.

NOTE: The itinerary is a general listing of activities and excursions that may happen during any part of the program. Daily activities will be determined by weather, opportunities to view wildlife, and other various elements that make up the incredibly diverse landscape. While chosen locations are favorable for witnessing the magic of the Northern Lights, we cannot guarantee their appearance. Many factors affect the visibility of this naturally occurring phenomenon.

What Guests Are Saying...

Loved the lodge and personnel. The owner was a treat and so welcoming. We selfishly loved the smaller group. All of the activities were fun and full of adventure. We especially enjoyed the shore lunches where we helped catch the fish and the meal was prepared over an open fire. Would do this trip again! We have had a number of trips with Orbridge and always tell our friends. The trips are always exceptional and full of new adventures and excellent experts to enhance our experience.

Looking forward to our next trip with Orbridge.
