Activity Level 1: 🦶 🦶 🦶 🦶 🦶

What to expect: These trips often involve travel by motor coach. Travelers should be able to stand and walk during group activities, board transportation, and climb one flight of stairs without handrails or assistance. Elevators are not always available. Outings last one to two hours on most days.

Suitable for: Travelers who are able to comfortably walk up to two miles, or 4,600 steps, each day.

Orbridge takes seriously the responsibility to minimize our global environmental impact. Each year we plant 100,000 trees in U.S. State Forests with afforestation needs as an ongoing initiative among our evolving sustainability efforts. Learn more at orbridge.com/going-green.

Your 7-Day Itinerary (subject to change)

NOTE: VIA Rail Canada, like other passenger railways in North America, operates on tracks owned by freight companies. While VIA Rail strives for on-time departures and arrivals, increased freight traffic on the railway will often cause delays. These delays could result in delayed departure from Toronto, delayed arrival in to Vancouver, and shortened / limited time off of the train. Onboard services are guaranteed and any changes to the schedule will be communicated and updated as the journey continues.

Activity Level: Guests should be comfortable boarding and disembarking trains without assistance, walking and moving between cars while the train is in motion, and navigating steep, narrow stairs to the upper level of the observation car. All hallways are narrow and have handrails, but train travel can be unpredictable and some unexpected movement may occur. Guests who enjoy the relaxed pace of train travel will delight in spending much of the program's time on the railway. At brief train stop locations, ground may be uneven and covered in loose gravel, with no sidewalks.

Accommodations (subject to change)

The Canadian Railway hotels, a group of historic hotels built between 1886 and 1930 by the Canadian Pacific and Canadian National railway companies, were designed to promote rail travel and provide modern, luxurious accommodations for passengers as they traveled across Canada. This program includes one night each at two of the most well-known, iconic hotels.

FAIRMONT ROYAL YORK

Built by the Canadian Pacific Railway in 1929, it was the tallest building in Canada at the time, and featured magnificent architecture and luxury, including over 1,000 en suite guest rooms, a glass-enclosed roof garden, and a concert hall with a 50-ton pipe organ. It has recently undergone a five-year, multimillion dollar renovation to combine stunning, redesigned guest rooms with carefully preserved historic elements.

Located directly across from Union Station—and conveniently connected to the depot by an underground pedestrian walkway—this elegant downtown property is minutes away from the city’s best attractions, and features five restaurants, four lounges, an indoor pool, gym, spa, and business center.

VIA RAIL'S THE CANADIAN

Experience an inviting blend of modern amenities with a sense of nostalgia, and the perfect way to unplug and enjoy nature’s beauty at a slower pace.

The Canadian's Prestige Class provides an elegant and spacious cabin with oversized picture window with blinds, flat screen TV, modular leather L-shaped couch seating by day and comfortable double bed with luxurious bedding for two at night and private bathroom with shower and deluxe amenities. Passengers in Prestige Class also enjoy priority boarding, access to the Business Lounge at Toronto’s Union Station, private concierge service with in-cabin cocktails and canapés, turndown service, and privileged access to the Park Car.

FAIRMONT HOTEL VANCOUVER

Opened in 1939—just in time for a visit by King George VI and Queen Elizabeth—this opulent gem, known as the “Castle in the City,” quickly became a landmark in Vancouver. The newly-renovated hotel features distinguished restaurants and lounges, an indoor pool, gym, and spa.
