Take time to refresh before joining fellow travel companions and Orbridge Expedition Leader for a welcome dinner and briefing to review the exciting week ahead.

Day 2: Rapid City | Badlands National Park | Custer State Park

Saturday, August 1, 2026 (B,D)

After breakfast depart for Badlands National Park famous for its unique geological formations of layered rock canyons, spires and buttes. Rich in fossil beds, the park provides a fascinating glimpse into the area's history. The Badlands' rugged beauty, vibrant colors and dramatic landscapes offer fantastic photography opportunities.

Continue to Wall—a bustling community that exudes small-town charm—for lunch on your own.

Nestled in the Black Hills is Custer State Park renowned for its diverse wildlife and population of bison, elk and pronghorn. Arrive at State Game Lodge—your accommodations for the following two evenings. Built in 1921, this impressive stone and wood lodge surrounded by stately trees is listed on the National Register of Historic Places. The charming lodge served as the "Summer White House" in 1927 for President Calvin Coolidge who saw it as a quiet retreat from the heat, bugs and crowds of Washington, DC. President Dwight D. Eisenhower also visited the lodge in 1953 while on a visit to the Black Hills area.

After checking into the property, set out for a thrilling Jeep safari wildlife tour through the active roadways.

Overnight: State Game Lodge

Day 3: Mammoth Site | Crazy Horse | Custer

Sunday, August 2, 2026 (B,D)

This morning travel to Hot Springs to visit The Mammoth Site where history of the late Ice Age comes to life. This paleontological site, research center and museum contains the largest concentration of mammoth remains in the world and earns recognition worldwide for its interpretation and exhibits. Walk the edges of a sinkhole where Columbian and woolly mammoths, camels, wolves and giant short-faced bears were trapped more than 26,000 years ago. For centuries the fossilized bones lay hidden until discovered in 1974 during excavation for a housing development. After a short tour stroll the boardwalk over the dig site and see the paleontology laboratory.

Next visit the base and museum of Crazy Horse Memorial—a monumental work still in progress. Under construction since 1948, crews are drilling, sculpting and removing rock more than 70 years later. The work pays tribute to the legendary Lakota leader Crazy Horse and the values of Native Americans. Crazy Horse led his warriors to victory against Custer's battalion at the Battle of the Little Bighorn in 1876. If completed as designed, the sculpture will be 563 feet high and 641 feet long.

While there view an audio-visual program featuring artist Korczak Ziolkowski and his sculptures that illustrate the culture, tradition and living heritage of Native Americans.

This afternoon is yours for a leisurely lunch and time explore on your own before rejoining the group for an evening meal in the main lodge.

Overnight: State Game Lodge

Day 4: Custer | Mount Rushmore | Spearfish Canyon

Monday, August 3, 2026 (B,D)

Today stand in awe before iconic Mount Rushmore, a symbol of American history and ingenuity. Begun in 1927, this remarkable granite sculpture was originally designed to portray the four Presidents—Washington, Jefferson, Roosevelt and Lincoln—from the waist up, but construction ended in 1941 due to budgetary constraints. The stone figures that remain, however, are inspiring and impressive. Carved under the direction of sculptor Gutzon Borglum, Mount Rushmore was a massive undertaking requiring 800 million pounds of stone to be removed by dynamite from the mountain face. Pass through the Avenue of Flags peering upward to capture sight of four influential presidential faces each approximately 60 feet high.

Following lunch on your own, perhaps explore the Visitor Center or Sculptor's Studio or hike the 422-stair Presidential Trail that loops around the base of the monument. Wandering through gorgeous scenery experience an up-close perspective of the sculpture and a chance to spot local wildlife.

Continue the journey to picturesque Spearfish Canyon in the northern Black Hills. Your accommodations are situated deep in the heart of one of the most breathtaking canyons tucked beside lofty pines and craggy cliffs. This property was built and decorated in the style of the old lodges of the West. Enjoy leisure time at the lodge for a walk or hike before rejoining the group for dinner.

Overnight: Spearfish Canyon Lodge

Day 5: Spearfish Canyon | Cody, WY

Tuesday, August 4, 2026 (B,L)

Enjoy wide-open spaces and western hospitality with a scenic travel day, including refreshing opportunities to stop and stretch your legs. As the spectacular panorama passes outside your motor coach admire the rolling plains of the Old West and towering peaks of the Bighorn Mountains.

Delight in lunch at The Ranch at UCross—a genuine Western ranch. The ranch and surrounding landscape are rich in the history of the American West. Many western writers, sculptors, artists and craftsmen make this area home for exactly that reason.

After a late-day arrival in Cody enjoy the evening and dinner on your own. Wander the lively town or maybe venture out for an authentic western experience at the nation's longest-running professional rodeo.

Overnight: Holiday Inn Cody-At Buffalo Bill Village

Day 6: Cody | Yellowstone National Park

Wednesday, August 5, 2026 (B,L,D)

This morning visit the Buffalo Bill Center of the West that features five museums, a research library and special exhibitions. Learn about Western and Native American history, the life of “Buffalo Bill” Cody, Yellowstone, old firearms and more. Experience the spirit of the American West through art by surveying the Whitney Museum’s collection of paintings, prints and sculpture.

Continue on and pass through Shoshone National Forest to Yellowstone National Park—a geothermal wonderland of hot springs, geysers and diverse ecosystems. As the world’s first national park, Yellowstone has delighted visitors since 1872. Home to staggeringly beautiful and dramatic canyons, alpine rivers, lush forests and hundreds of animal species, experiencing Yellowstone in person is a humbling, enthralling adventure.

Sitting atop a slumbering super volcano, Yellowstone has half of the world’s known geysers, including iconic Old Faithful. Watch it erupt in a magnificent display of nature's power and beauty.

Additional geological spectacles include the Park's Upper and Lower Falls. Hear the roar of the Yellowstone River dumping as many as 60,000 gallons of water per second over the Lower Falls. Magnificent to behold, the Lower Falls towers over 300 feet making it nearly twice as tall as Niagara Falls.

Take time to spot for wildlife in Hayden Valley. In many ways—geographically, historically and biologically—it is the heart of Yellowstone. Grizzly bears, bison, wolves, coyotes, elk, moose and dozens of bird species live here.

Overnight: Yellowstone National Park Lodging

Day 7: Yellowstone National Park

Thursday, August 6, 2026 (B,D)

Enjoy a full day exploring Yellowstone, including its active caldera.

Along Fountain Paint Pot Trail see various hydrothermal features that are expressions of Yellowstone's still active volcano. Within this geologic system each type of thermal feature is represented. They can be grouped into two general categories—those with a great deal of water (hot springs and geysers) and those with limited water (mudpots and fumaroles). Learn interesting facts, such as the "recipe" for mudpots—a perfect mix of heat, gases, water, volcanic rock, minerals, acid and even living microorganisms. Walk the half-mile boardwalk nature trail to see it all.

The unique thermal feature of Mammoth Hot Springs has been described as looking like a cave turned inside out creating a surreal landscape. Perhaps visit the Albright Visitor Center and Museum with its interactive displays, great animal wildlife exhibits, orientation area and educational ranger talks.

Overnight: Yellowstone National Park Lodging

Day 8: Yellowstone National Park | Grand Teton National Park | Jackson

Friday, August 7, 2026 (B,D)

Adjacent to Yellowstone, Grand Teton National Park boasts stunning mountain scenery and pristine lakes. Head south through vast unspoiled wilderness to the park and take in its jagged mountain peaks that form postcard perfect backdrops. The Tetons—the highest at more than 13,700 feet—are the youngest of the Rocky Mountains, but still inspire visitors from all over the world. The park is also home to buffalo, deer, bighorn sheep, black and grizzly bears, red-tailed hawks, moose, elk, pronghorn, bald eagles, wolves and mountain lions.

Lunch is planned at Pioneer Grill at Jackson Lake Lodge. This eatery is said to be one of the oldest and longest continual counters at 200 feet. One counter winds through the room creating a welcoming atmosphere where guests interact with travelers and employees from around the globe. Those with a sweet-tooth will enjoy indulging in the famous huckleberry milkshake.

Tonight gather with fellow travel companions to celebrate the grand adventures of the past week at a farewell dinner.

Program Cancellations or Postponements. All programs are subject to cancellation or postponement by Orbridge prior to the scheduled departure date for reasons such as, but not limited to, insufficient participation, or logistical problems that, in Orbridge's sole judgment, may impede program operations or represent conditions or events that may expose program guests and/or Orbridge to undue risk of harm, injury, damage or inconvenience. In the event of program cancellation or postponement by Orbridge, Orbridge may offer you alternative arrangements such as the option to join the same tour on a different date or a different tour. If the price of your alternative booking is lower than your original booking price, Orbridge will refund the difference within 30 days of the alternative program's departure date. If it is higher than your original booking price, Orbridge will invoice you the difference and you will be responsible therefor. Transferred guests are subject to the terms of the original tour. Except for force majeure, if a program is cancelled or postponed by Orbridge, Orbridge will refund all payments made within 30 days of notice of program cancellation or postponement if an alternative arrangement is not offered.

Health and Fitness to Travel. Through your participation in your tour, you assume responsibility for your own health, safety, and welfare and acknowledge that Orbridge cannot absolutely guarantee your safety or health. Your physician can provide guidance on your personal health risk and precautions to take while traveling. Some programs include physically active elements. To enjoy these programs as intended, a minimum level of fitness is required and Orbridge will require all guests to follow local, state, national and/or World Health Organization health and safety mandates. Accordingly, you must be in good physical and mental condition to

participate. You represent that you have no physical, mental or other condition, impairment or disability that may or will cause or create a risk of injury or other hazard to yourself or others in respect to any aspect of the program you have selected. Orbridge may, in its sole discretion, limit, restrict or prohibit from participation in any aspect of any program any individual that it considers in its sole discretion to be impaired or unsuitable due to fitness level. In addition, Orbridge may, in its sole discretion and at the participant's sole expense, remove the guest from the program, or restrict the program-related activities of any individual whose physical or mental condition may or is likely to cause a hazard to himself/herself or others, or otherwise impair the enjoyment of other program participants. Any physical condition requiring special attention, diet, or treatment must be reported in writing to Orbridge at the time a program reservation is made. Should you have any questions or need any clarification about a specific program, please ask for details at the time of registration. Orbridge will try to accommodate your situation if possible.

Accessibility. Orbridge cannot guarantee that the transportation, lodging, and entertainment/sightseeing accommodations will be accessible to all persons regardless of their physical and mental condition. In addition, many of the activities involved in each program include walking or the like for some distance on uneven ground or pavement or moving water as well as the ability to walk up and down stairs without assistance. Should any individuals seeking to participate in a travel opportunity need special accommodations to ensure their enjoyment of the trip, kindly provide notice at the time the reservation is submitted, and we will see if your participation is feasible. Please understand that the Americans with Disabilities Act is inapplicable outside the United States.

At the time of reservation, Orbridge needs to be notified to determine if the special needs of an individual traveler can be met through special arrangements. It is possible that minor modifications to the services can be provided, but only if Orbridge is made specifically aware of anticipated needs. This notification should be made in writing no less than two weeks prior to the planned travel. Neither Orbridge nor any of the providers of transportation, lodging, or other services can provide special accommodations without this advance notice.

Where an individual with certain specific needs will be traveling with a group, it is necessary for other members of that person's group to be available to assist as necessary. Neither employees of Orbridge nor any suppliers of services can allow any of their employees to provide physical assistance to any guests.

Travel Advisories. The State Department and the Centers for Disease Control periodically issue statements and advisories about risks to travelers. These statements are country specific and contain important information. The State Department information can be found at www.travel.state.gov, and the CDC statements can be found at www.cdc.gov. Orbridge highly recommends everyone to review these sites.

Children. Orbridge welcomes the participation of children in most of its programs. Air carriers and motor coaches often impose significant other restrictions or limitations on the number of pieces, size and weight of luggage and may reject or impose additional fees on luggage exceeding such limitations or restrictions. All such fees are your sole cost and responsibility. In addition and regardless of location or transportation method, your baggage and personal effects are and shall at all times be at your sole risk throughout the entire program. Please check with your air carrier for other applicable baggage restrictions and limitations.

Travel Documents. All guests are responsible for possessing and maintaining necessary travel documents. These documents shall be valid under state and federal law and as required by foreign countries being visited. Orbridge is not responsible for invalid travel documents and repercussions thereof.

Please direct any questions in respect to visa requirements to Orbridge, which shall use commercially reasonable efforts to provide answers as a courtesy, provided that it shall remain your sole responsibility and obligation to obtain and verify that you have all required travel documents, including visas, necessary and appropriate for the program location(s) and sufficient blank pages in your passport for visas and immigration stamps. In addition, some countries require your passport to have an expiry date of not less than six months after your anticipated return to the United States. Orbridge disclaims all liability for any expenses or costs you may incur due to your prohibition or restriction from entering a country on the program itinerary or reentering the United States at the conclusion of the program.
