THE GALAPAGOS ISLANDS – NORTHERN ITINERARY

Feel the thrill of encountering the flora and fauna that famously inspired Darwin—and in his footsteps, generations of nature lovers. Undiscovered by Europeans until the 16th century, the Galapagos Islands hold a central position in modern scientific and evolutionary history. In a place where human presence is relatively minimal, take the opportunity to observe and photograph these remarkable species up close—either sitting quietly to watch blue-footed boobies or snorkeling with inquisitive and playful sea lions.

Dear Fellow Traveler,

Join fellow alumni and friends as we explore the Galapagos Islands. Designated the first UNESCO World Heritage Site in 1978, the Galapagos Islands have been described as a “unique living museum and showcase of evolution.” They are home to a fascinating array of wildlife inhabiting an unspoiled ecosystem, living in harmony with their human visitors.
This exciting journey features a day of guided touring in Quito plus an intimate cruise through the archipelago with up-close access to endemic species. Expert naturalists guide you through the wonders of this national park, whale sanctuary, and marine reserve.

Accommodations for this adventure are aboard the *Isabela II*, a 40-guest vessel with spacious cabins, local cuisine, and a staff dedicated to ensuring both your comfort and maximum enjoyment of this truly extraordinary destination and its diverse inhabitants. And sailing by small ship allows for flexibility in the itinerary to maximize wildlife viewing, as well as access to exclusive ports.

Stateroom availability is limited. With significant savings of up to $800 per couple, we anticipate this tour will fill quickly, so be certain to reserve your spot today.

Along the way, watch for large colonies of Nazca boobies, great frigatebirds, and storm petrels, as well as the elusive short-eared owl. Those not wishing to hike on shore can enjoy a longer panga ride along the cliffs (depending on
weather conditions). Snorkeling and kayaking activities are available here, too.

What Guests Are Saying:

“The hotel accommodations were amazing. The hotel staff at both of the hotels were great. The crew of the Isabela II was great. Isabela II convinced us that trips on small ships are the only way to go. We couldn’t believe the extraordinary value we received from Orbridge on this trip. The tour guides went over the top to explain what we were experiencing.

Orbridge is the best! You did everything you agreed to do, did it on time, provided great tour guides and services as we moved from point to point. We will travel with Orbridge again.”

–Mike & Sally K., Missouri City, TX

“This trip was an exceptional experience! Not only were the locations we visited superb in every aspect but the ground support exceeded all expectations.

The yacht Isabela II was the perfect size for our group. The entire staff was professional. The naturalists were at the core of our experience. Their extensive knowledge of the unique flora, fauna and marine life of each island was generously shared with us.

This program provided us with access to unique locations on our planet that should be preserved as they are but are made available to those interested in understanding the delicate nature of our ecosystems. The program was well planned, the guides excellent, accommodations first class.”

–Nancy & Greg S., Kihei, HI

“My overall experience was outstanding and I would definitely go on an Orbridge tour again with no hesitation.

The hotels were exceptional and the food everywhere was outstanding. Also, the coordination and logistics were flawless. There were no hiccups or misses for the entirety of the trip. Guides for both Galapagos & Machu Picchu were absolutely top shelf in terms of knowledge and experience.”

–Dan F., Spokane, WA
“This was a superb itinerary and was spectacularly organized. We loved the program. Mashpi was terrific, as was the entire trip in the Galapagos - the ship and crew were wonderful - the sights and itinerary were great as well. We thoroughly enjoyed it! Our transfers to Lima, and the trip throughout Peru, including the Machu Picchu trip, were terrific. All of our guides were wonderful. We learned so much and really enjoyed the program immensely. Spectacular!

We would like to travel to many places, but we will come back to Orbridge in the future.”

–Linda E., Hanover, NH

“This was an excellent program, the park guides were just amazing with their knowledge, experience, and precious personalities. We became a little family although we were only together for a few days. The Galapagos Islands are magical and mystical and a once in a lifetime thrill for us. We appreciate all that continues to be done to preserve this unique environment.”

–Carla & Louis S., Austin, TX

“The Galapagos Islands trip was a bucket list, anniversary trip for me and truly was the trip of a lifetime. The program is polished, professional, educational, active, engaging, and incredibly well organized.

Our naturalists were tireless in their enthusiasm for each new day and experience. I’ll never forget the twice daily snorkel opportunities, the scenery above and below the surface of the ocean and the great care each member of the crew or staff took with their respective jobs.”

–Knox B., Greensboro, NC

“This was our third or fourth trip with Orbridge! We were very satisfied and will not hesitate to book with Orbridge again.

The program was very well designed, well managed, and, above all else, had arrangements to meet our needs and objectives of our travel plan.

We look forward to an opportunity to travel to the Galapagos Islands again with
Orbridge at a different time of year to see the vegetation and the wildlife at a dry part of the year.”

–Dale & Kathleen E., Highland Heights, KY

“Scientific, historical and cultural experience was amazing. The hikes on the trip were amazing... the contact and interaction with wildlife was extraordinary as were the guides who led us.

The accommodations and service at the hotels and the Isabela II were excellent. The level of customer care is the best I have ever experienced.

From day one to entering security for the trip home, I was well cared for and served.

”

–Tim J., Worcester, MA

“The seamlessness of the arrangements was a great value for this tour. There were many pieces of the tour that Orbridge fit together well. All of the guides in Ecuador and Peru were approachable making it easy to ask questions and have conversations instead of just being talked to.

We couldn’t imagine coordinating a trip of this caliber ourselves. The hotels were gems and the activities were perfectly paced. We never felt rushed or that an activity was a waste of time. The attention to detail and the knowledge of the guides exceeded our expectations. Every day was a new adventure to enjoy!”

–Shawn & Jeff H., Abington, PA

“Traveling with Orbridge was fantastic. They had everything covered. Even though we arrived very late in Quito, they were there with transport to the hotel and there were no glitches. I never had to think about how to do anything, and if we needed anything or had any questions, they were there with the answers.”

–Mike & Barb P., Conifer, CO

“The guides on the Isabela II are very knowledgeable and well trained, so every excursion was well planned, exciting and informative. We were impressed and gratified that everyone we encountered on the ship and the islands were serious
about the preservation and protection of the environment and its animals and plants.”

–Jennifer & JB P., Los Gatos, CA

“My wife and I travel a lot, but this was our first organized trip since 1997. Orbridge did a great job in finding excellent guides, great hotels in central locations, and always had wonderful meals, with an awareness of dietary limitations.”

–Jon & Rebecca G., Hickory, NC

“It was spectacular at every level.

We loved the small boat - perfect size, the variety of opportunities available (each equally great, so at times hard to choose), the guides and staff who were so responsive and knowledgeable, and the logistics coordination - every detail was handled.

We were very pleasantly surprised at how many snorkeling opportunities were available.”

–Karen & Steven H., Columbus, OH

“Touring the Galápagos Islands while being on the Isabela II was such a highlight! The guides were so helpful and made it so special... they just took care of us! And, with Machu Picchu, our guide took such good care of us and we really enjoyed his guidance, knowledge and passion regarding all that he showed and told us.

Every part of the trip was outstanding! We did not have to worry about anything as it was all covered and planned for.

Orbridge did an amazing job with this trip! I can’t wait to travel with your company again!”

–Sally B., Charlotte, NC

We were very impressed with the efficiency of this program and staff. Everything was taken care of, everything was explained to us, and we always knew what to expect.

We gained so much knowledge and understanding from the naturalists, they were with us all the time, were so friendly and personable.

We would travel with Orbridge again in a heartbeat.”

—Randy & Jan W., Brooklyn, MN

After breakfast, make your way through the intimate cobblestone streets of Ollantaytambo, a “living” Inca town. Here, Inca descendants inhabit the largely unchanged homes of their ancestors and continue to maintain ancient customs and traditions. The massive fortress, perched among steep stone terraces carved into the hillside, is where the Inca won their greatest victory against the *conquistadores*.

Next, board a Vistadome train to Machu Picchu, the most important site of the vast Inca empire. Enjoy views of the mountains, villages, and Inca vestiges as you descend into the Sacred Valley. From there, a short bus ride takes you to the archaeological site of “The Lost City of the Incas.” Begin a guided exploration of the enigmatic citadel. As it lies before you, learn about the archaeology and history of Intihuatana (the Sun Dial), the Sacred Plaza, and the Temple of the Sun, with plenty of time to wander, hike, and take pictures of the photogenic site.

This evening, share impressions of your day while dining with your travel companions at your Machu Picchu hotel.
